DEDICATION

The 1978 REFLECTOR staff chose to dedicate this year's book to Mr. Glen Wagner. Mr. Wagner is a graduate of Westmont High School and Indiana. He is currently teaching social studies. As a basketball coach, adviser of stage crew and father of two girls, he is kept very busy. He is a favorite among the students and communicates well with them. Mr. Wagner, THANK YOU.

THE OSCARS

THE TIMES OF YOUR LIFE...

. . . to treasure. T-shirts and jeans were put aside for one night as the paths to romance, dancing, dining and secret walks opened. It was a night to be remembered as the atmosphere of the Junior-Senior Prom enthralled all. Those paths entwined the gala event to arouse the memories of all who attended for years to come.

SPECIAL RECOGNITION

The 1978 *Reflector* staff congratulates Mr. Webber for forty years of service in public education. Instructor, coach, worker, counselor and friend denote those characteristics from which so many students benefitted. We wish you and your wife well in the future.

HOMECOMING

After two cancellations because of rain, and muddy fields, Homecoming was held on October 22. The queen and her court were chosen by the Sr. High student body. The field was still muddy, but the day turned out to be memorable.

MOTTO: Life is ā long road, walk it well.

COLORS: Mint green and white

FLOWER: White Carnation tinted Green

I can't believe tonight is happening! I remember dreaming of this night many times. I would accept my diploma and then shout to the world that I made it. But now as I'm walking the few steps to the stage — it seems to be taking an eternity. All the memories are flashing through my mind. Where have all the years gone? It was just yesterday that I came to Ferndale as a freshman filled with anxiety over meeting new faces and wondering if the next four years would ever pass. Before long the anxieties were gone, and it wasn't hard to like the people I met from teachers to classmates. There seemed to be a closeness shared between faculty and students, whether it be victories or defeats, in competition or just a problem in a class. We were like a family in a way, and, like all families, it's the time we must gather all we've been taught, be it academically or otherwise and start to make our own way in life. It's like being a freshman all over again with the same doubts and anxieties. But I'm sure that with the knowledge we're taking with us and God's help we will become what we've set out to be. Guess what world--I MADE IT!

COLORGUARD SENIORS: Denise Rigby, Karen Bantly, Cherly Swick, Cindy Potter, and Cindy Tessari.

PEP AND STAGE BANDS

Performing at pep rallies and home basketball games, the pep band provides entertainment and also keeps the spirit aroused among the fans and players.

The stage band adds a little something extra to the annual Spring Concert by presenting an array of songs adapted from more recent popular music.

STAGE BAND

Under the leadership of Stanley Mish, the Stage Band works very hard to provide us with contemporary music. Their time and efforts are very much appreciated as the attendance at their Spring Concert shows.

STUDENT GOVERNMENT

The Student Government works to provide the student body with dances, assemblies, buses to away games, and other various activities. These students are elected as student leaders and can be commended for the fine work they do in preparing an environment that is suitable for all the students.

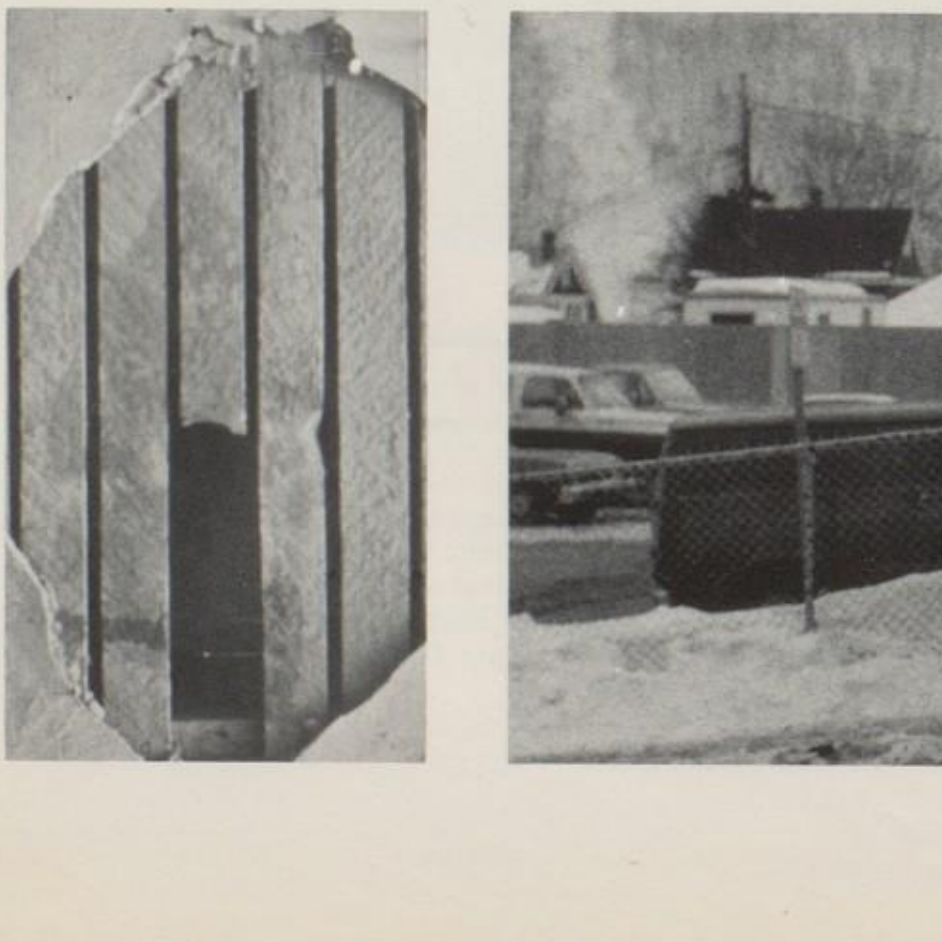
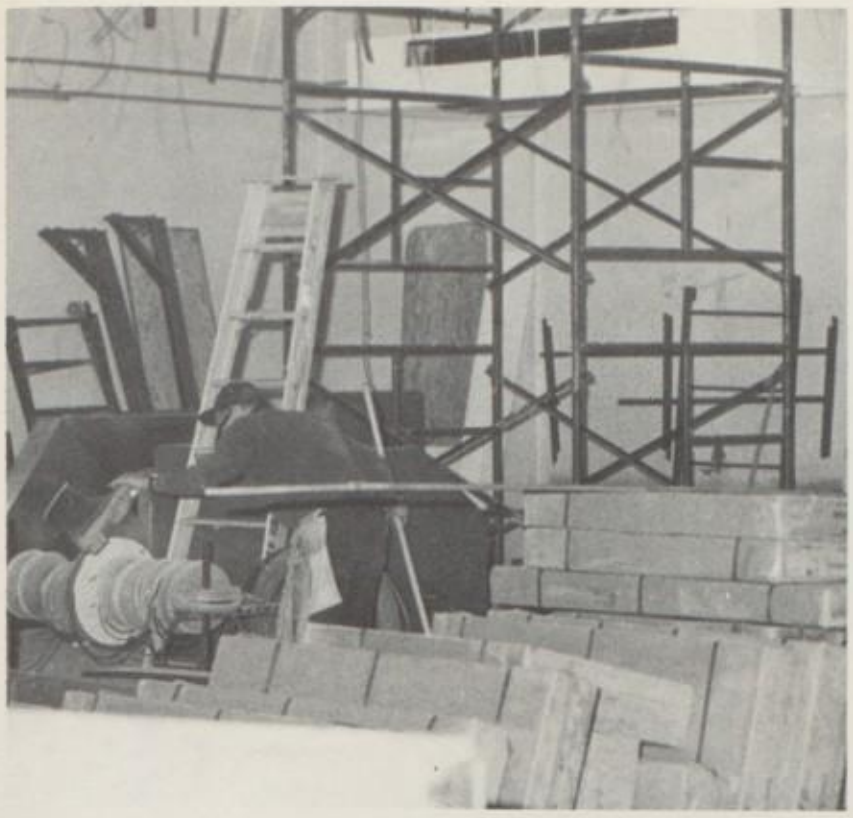
Pres., Trudy Blue; V. Pres., Dannette Webb; Sec. Treas., Sue Heiser.

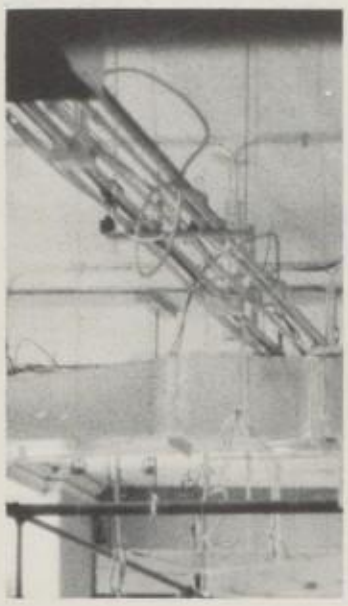
DRAMA CLUB

The Drama Club has long kept us entertained with its various plays and skits. Not only have they performed for the junior and senior high students, but are known for their Christmas plays for the elementary students also. With many new and promising faces the Drama Club should be bigger and better than ever.

CHANGING THE SET





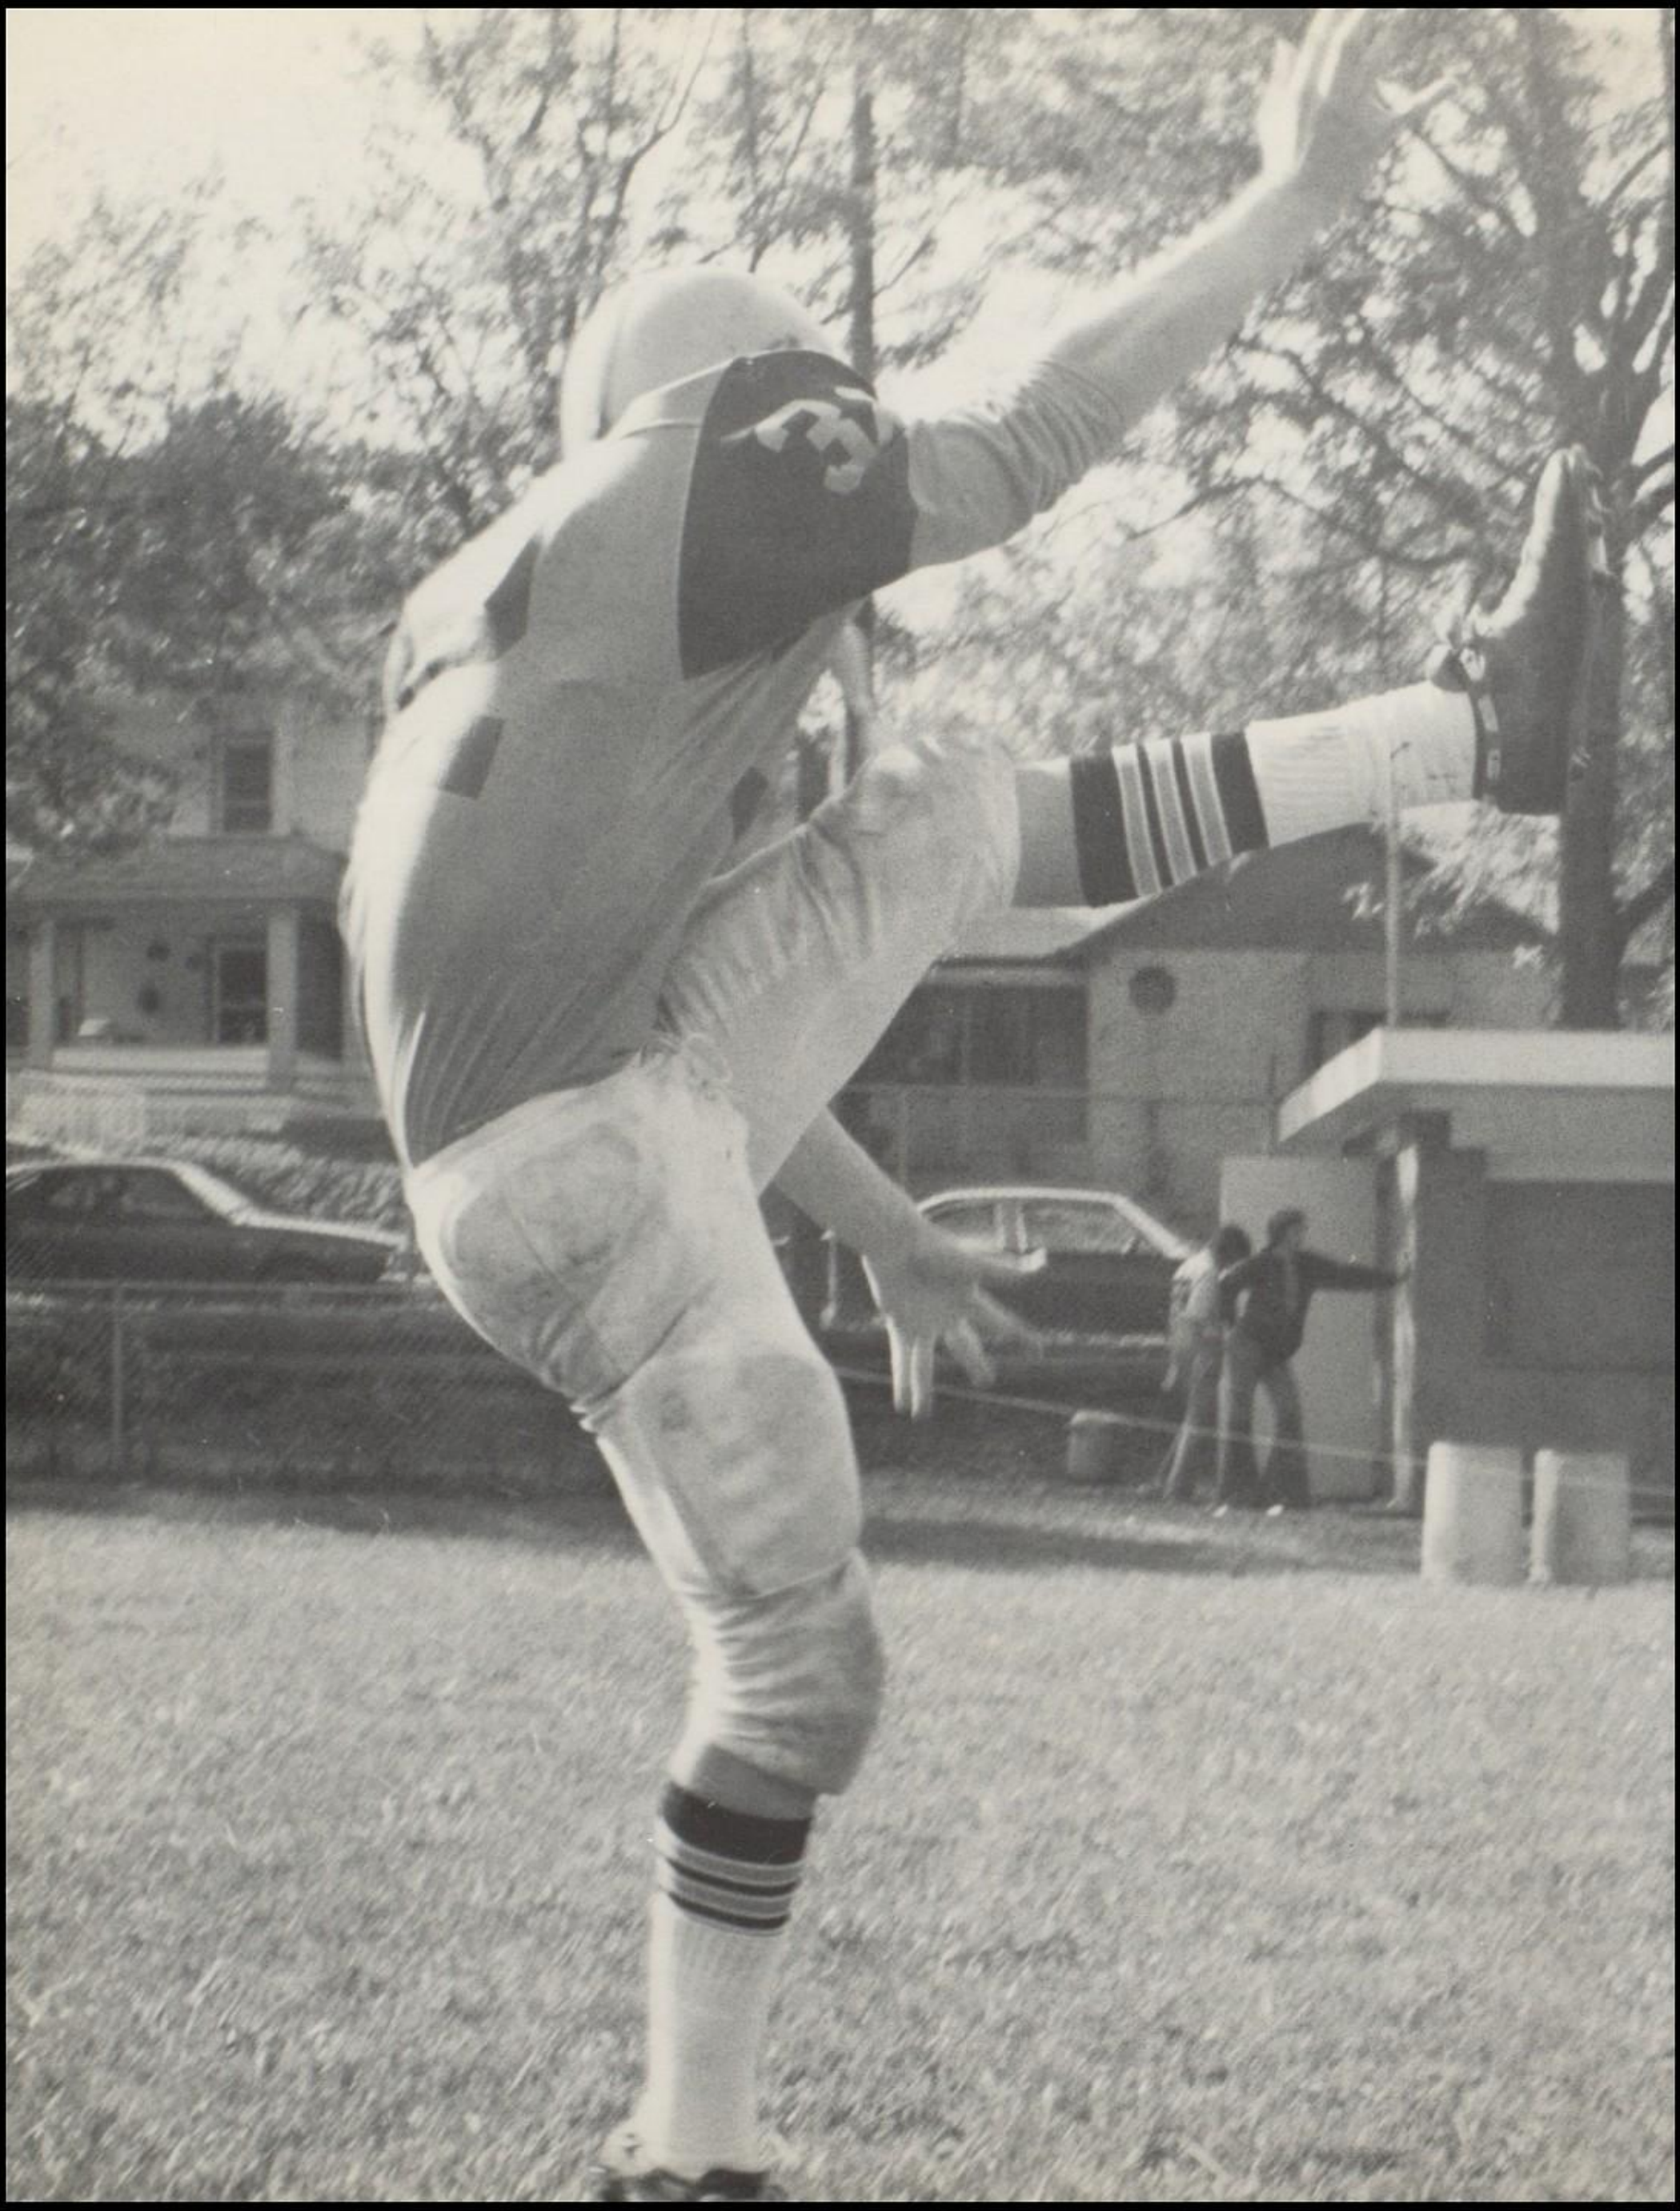


There were many changes this year at Ferndale. The construction workers moved in early in the school year. Since then there has been a lot of noise, mess and improvement. The confusion — renovation of the elementary building. The men are working day and night making the school look like new. In January the elementary students were transferred to the high school. With determination and will power we made it through the confusion. What about summer? The high school will take on a new look.

OUR OWN

TIDAL WAVE

July 20, 1977: Johnstown was hit with devastating flood waters. Approximately 11.82 inches of rain fell overnight. Two of our districts were hit quite hard — Dale and Lorain. A time we'll never forget,— the staff wished to provide you with a visual history. We thank the students for their cooperation in supplying these pictures to reinforce our memories.



The Stuntmen

Football has long been one of the most physical sports. Ask any member of the team. Along with the physical aspect goes a lot of thought and memorizing. From August through November, the team practiced diligently learning plays and sportsmanship. Our Jackets finished the season with a 2-7 record.

During the winter months, several guys can be found dieting and strenuously exercising. Ferndale's wrestlers put a lot of work into every match.

Many hours of moving mats, practicing and aching made the season a success.

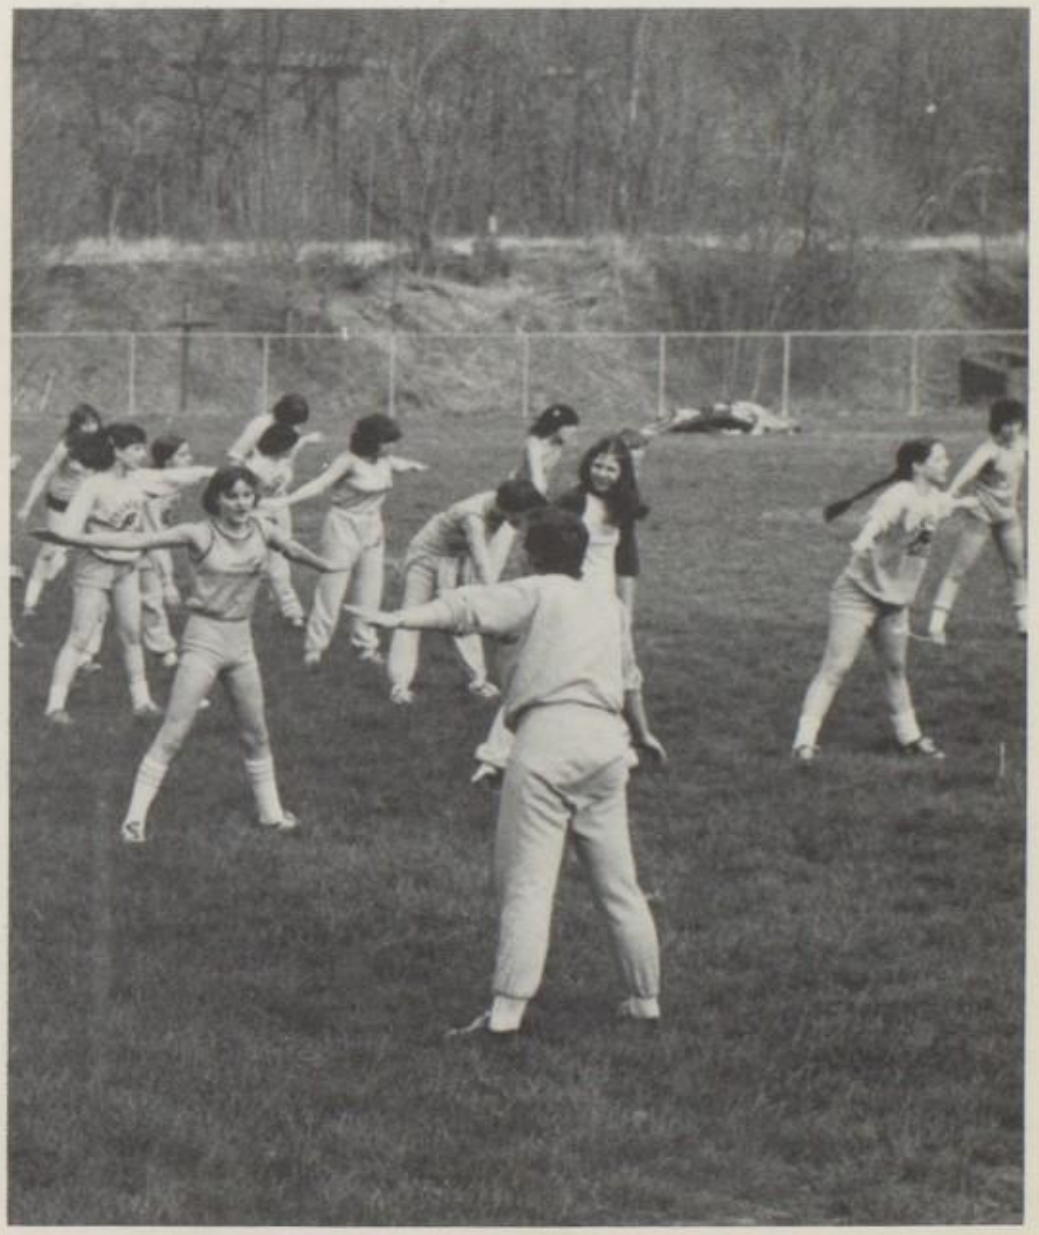
SPORTS

'77



Along with the warm weather comes energetic spirits. The girls of our track and softball teams did not seem to mind, because practice was a change from snow. Although both sports are relatively new additions at FAHS, many records have been made, and the scores keep buzzing higher.

JACKETS

Someone once said that the world is a stage, and we each must play a part. School is only Act I of the play. This is the Seniors' grand finale. The underclass and faculty will be called back for an encore. The spotlight will be on each of us at some time. Throughout life we find that we need co-stars, producers and directors. No one person alone can make the show a success. As you begin a new role remember you're the star — so shine!
